EMAIL: rishabh.jaiswal.jai@gmail.com | PHONE: +91 9760986348

EXP: 5 YEARS

CAREER OBJECTIVE

Dedicated Java developer with 4.5 years of experience in building scalable and efficient enterprise applications using Java, Spring Boot, Hibernate and JPA. Seeking to contribute my expertise in software development and problem-solving to drive innovation and excellence in a dynamic environment.

TECHNICAL SKILLS

Programming Languages	Java (1.8, 17)
Frameworks	Spring Boot, Hibernate, JPA
Web Technologies	HTML5, CSS, Bootstrap, JavaScript
Databases	MySQL, SQLServer
Tools	Azure (Basic Familiarity), Maven, Eclipse, STS, Git, Postman, Swagger
APIs	RESTful APIs, JSON

PROFESSIONAL EXPERIENCE

SR. JAVA DEVELOPER

****Project**:** E-Shram (Client: NIC)

****Companies**:** Silvertouch Technologies Pvt. Ltd.

****Total Duration**:** 15/07/2024 To **(Present)**

Worked on the E-Shram project under NIC, contributing for a total of 1.5 year. Focused on developing and maintaining the system to enhance usability and performance.

- Implement new features and functionalities based on user requirements and business needs by writing clean, efficient, and maintainable code.
- Collaborated with cross-functional teams to ensure seamless module integration.
- Improved database query performance, reducing response times by 25%.
- Created comprehensive technical documentation to support project handover.
- Migrating REST API application from java version 1.8 to java version 17.

****Environment**:** Java, Spring Boot, Hibernate, JPA, MySQL

SR. SOFTWARE DEVELOPER

****Project**:** E-Anudaan (Client: NIC)

****Companies**:** SISL Infotech Pvt. Ltd. & Velocis Systems Pvt. Ltd.

****Total Duration**:** 16/08/2023 To 19/06/2024

Worked on the E-Anudaan project under NIC across two vendors, contributing for a total of 11 months. Focused on developing and maintaining the system to enhance usability and performance.

- Implemented key functionalities that improved operational efficiency by 20%.
- Conducted security audits, addressing critical vulnerabilities to enhance compliance.
- Improved database query performance, reducing response times by 25%.
- Created comprehensive technical documentation to support project handover.

****Environment**:** Java, Struts 2, Spring Boot, Hibernate, MySQL

SOFTWARE DEVELOPER

****Project**:** CGHS (Client: NIC)

****Companies**:** Silvertouch Technologies Pvt. Ltd. & Velocis Systems Pvt. Ltd.

****Total Duration**:** 18/08/2021 To 14/08/2023

Worked on the CGHS project under NIC across two vendors for a cumulative duration of 2 years 1 month, contributing to the development of robust healthcare solutions for government employees.

- Implement new features and functionalities based on user requirements and business needs by writing clean, efficient, and maintainable code.
- Developed features to support over 10,000 active users with minimal downtime.
- Collaborated with cross-functional teams to ensure seamless module integration.
- Conduct unit testing to identify and fix bugs early in the development process.

****Environment**:** Java, Spring Boot, Hibernate, MySQL

SOFTWARE DEVELOPER

****Company**:** The Market Hut

****Total Duration**:** 18/11/2020 To 30/07/2021

- Designed and implemented core modules to streamline business processes.
- Implement new features and functionalities based on user requirements and business needs by writing clean, efficient, and maintainable code.
- Conduct security audits and implement necessary measures to protect against vulnerabilities.

****Environment**:** Java, Spring Boot, Hibernate, MySQL

EDUCATION

- ****B.Tech in Computer Science & Engineering****: Anand Engineering College, Agra (2018)
- ****Intermediate (PCM with Computer)****: Deoria SR. Secondary School (2014)

CERTIFICATIONS

- DUCAT Certified Java SE Programmer

STRENGTHS

- Self-starter with a positive attitude
- Ability to adapt to any environment
- Eagerness to learn new technologies
- Strong problem-solving skills

I hereby declare that the above written particulars are true to the best of my knowledge and belief.
