Technical Skills

Programming: Python (DSA, OOP), PyTest

Databases: MySQL, PostgreSQL, MS SQL Server

Cloud: AWS (EC2, RDS, S3)

Tools Concepts: REST APIs, Git, Linux

Work Experience

Applied AI Consulting LLP

Pune, India

Junior Cloud Engineer

Aug 2022 – Nov 2022

- Optimized test data pipelines, Reduced test execution time by 50 percentage, achieving a 95 percentage test pass rate using PyTest.
- Migrated complex stored procedures from MS SQL Server to PostgreSQL on AWS RDS, improving query performance and enabling scalable cloud deployment.
- Developed dashboards and generated reports to communicate key findings, supporting data-driven business decisions and operational insights.

Girlsript Tech

Remote

Open-Source Contributor (Python Developer)

Mar 2022 – May 2022

- Contributed to the “FaceX” open-source project using Python and OpenCV, enhancing image-processing features.
- Collaborated via GitHub workflows, ensuring reproducible analysis and maintainable code.
- Refactored existing modules, improving code readability and reducing processing time by 15%.

Projects

Sudoku Solver | Python, GUI, Backtracking Nov 2024

- Developed an efficient Sudoku solver with GUI using Python, improving logical problem-solving and algorithmic efficiency.
- Designed user-friendly visualization for puzzle input and solution tracking.

Complaint Management System | Python, SQL

Oct 2024

- Developed a complaint management system using Python and SQL to streamline issue tracking and structured data storage.
- Designed normalized database schema for faster retrieval and scalability.

Achievements and Certifications

- 5 Python (HackerRank): Solved 100+ advanced DSA problems.
- Postman API Student Expert: Skilled in API testing and integration.
- AWS Certified Cloud Practitioner(2022): Validated AWS services, cloud security and architecture knowledge.

Education

Shri. Sant Gajanan Maharaj College of Engineering

Shegaon, MH

Bachelor of Engineering in Information Technology

Aug 2021

Sri Chaitanya Educational Institution

Hyderabad, AP

Higher Secondary in PCM

May 2014

Leadership / Extracurricular

Information Technology Students Association

SSGMCE, Shegaon

Editor

Aug 2017 – May 2018

Sankalp Group

SSGMCE, Shegaon
