Education

Indian Institute of Technology (ISM) Dhanbad

Bachelor of Technology in Computer Science and Engineering

May 2025

Dhanbad, Jharkhand

Experience

ZS Associates

Business Technology Solutions Associate

June 2025 – Present

Pune, Maharashtra

- Developed a real-time data pipeline using SQL, Python, and PySpark to generate 1,000+ daily suggestions for Sales Rep interactions with Healthcare Professionals via calls, emails, and insights based on analytics use cases focused on informing marketing strategies and commercial execution of pharmaceutical products and vaccines.
- Worked on the ETL pipeline using tools like Amazon S3 and Hive, and scaled it across multiple countries and diverse market segments, optimizing workflows based on business requirements and ensuring smooth SIT/UAT-to-production deployments with high performance and reliability.

IIT Academy

Web Development Intern

June 2024 – August 2024

Remote

- Implemented the home page displaying 10+ Roadmaps on IIT Academy's website using React.js framework with Bootstrap.
- Implemented advanced search functionality, thereby increasing user satisfaction by 20%. Also developed detailed flowcharts for each roadmap topic to ensure project clarity and alignment.

Projects

Text and Information Retrieval 🔗 | **PROF RAJENDRA PAMULA** | *MongoDB, ReactJS, NodeJS, Bootstrap, Microsoft Azure*

- A website built using React and Node JS which takes handwritten forms as inputs and extracts the information.
- The machine learning model is implemented using Azure Document Intelligence, which gives the extracted information in JSON format.

Library Information System 🔗 | *MongoDB, ReactJS, ExpressJS, NodeJS, Bootstrap*

- A website built using MERN stack for the library information system which allows users to view and issue available books.
- Admin can check the various statistics regarding the number of books and also check and modify the users.

ASME Official Website 🔗 | *HTML, CSS, Bootstrap, GROQ and Sanity*

- Collaboratively built the official website for ASME student chapter of IIT (ISM) Dhanbad. Admin can add/update information regarding upcoming events. Has more than 500 Active Users.

Technical Skills

Languages: C++, C, Python, JAVA

Tech Stacks: HTML, CSS, ReactJS, NodeJS, Bootstrap, MongoDB, SQL, Github, Azure, AWS

Soft Skills: Debate, Oration, Content Writing and Editing, Event Management

Achievements

- Selected as a mentee for **Amazon ML Summer School 2024**.
- Qualified JEE Advanced 2021 with All India Rank 2755.
